WRITE FOR ILLUSTRATED CATALOGUE OF BOOKS FOR ARCHITECTS.

Just Published. Imp. 8vo. 15*s.* net.

MODERN HOMES.

Selected Examples of Dwelling Houses.

Described and Illustrated by

T. RAFFLES DAVISON, Hon. A.R.I.B.A.

With a Foreword by Sir Aston Webb, R.A., and over 300 Illustrations, chiefly from Pen Drawings by the Author.

"A book on Modern Homes by Mr. Raffles Davison must surely prove attractive to all who care for the present day progress of domestic architecture, as well as to those who care for the truthful and dainty representation of it. Here we have selected, by one who knows, some of the best and most representative modern homes. Views of their exteriors and interiors, with plans just sufficient to place them in their surroundings, with very often a sketch or two in the garden, and sometimes a photograph."

From Sir Aston Webb's Foreword.
